

Thorpes Neuro Rehab

'Optimising Movement For Life'

*Calling all band 5/6 physios interested in specialising in neurology.*

**What do you want from your job?**

- Are you interested in neurology and looking to develop your skills in this specialism?
- Do you want to help people maximise their levels of independence, functional ability, and quality of life?
- Do you want to build relationships with patients and work with them to achieve their potential?
- Do you want to work with an experienced friendly team?
- Do you want to work in an environment that supports your development so you can be the best therapist you can?
- Do you want a job without on-calls and weekend working?

If the answer to these questions is yes then why not talk to us at **Thorpes Neuro Rehab**

We are a team of specialist neurological physiotherapists with a combined 80 years of clinical experience. We are focused on empowering individuals with Neurological conditions to maximise their independence, movement potential and helping them achieve the things that are important to them. We keep patients at the heart of everything we do, delivering an outstanding service to every individual that comes through our door, with one outcome: to get them back to doing what they love most.

## What you'll get from us

- Opportunity to work with very experienced clinicians
- Diverse and challenging caseload including 1-2-1s and classes
- Hydrotherapy facilities at a retirement village spa
- Member of a small and friendly team
- Opportunity to develop services
- MSK support from our Award winning sister company Thorpes Physiotherapy
- Use of the staff gym
- Flexible working arrangements

## What we need

We are looking for someone who enjoys life, loves people, and has a fun and positive team spirit, as character is everything to us. Skills can always be taught, but personality cannot. We are looking for a **physiotherapist wanting to develop their skills in neurology**. Who are passionate about helping their clients to join our team based in Eversley and help us deliver this service around the north Hampshire, east Berkshire, and west Surrey area.
